...Creators of Taste...

THE SACRED LAND :

India - The Sacred Land, a country known for its rich culture, heritage, pure rivers and diverse landscape has always attracted the rest of the world. Also since centuries the people around the world have always been fascinated with its vast variety of aromatic and exotic spices.

We at **ADANI FOOD PRODUCTS PVT. LTD.** are committed to retain the above heritage and has a vision to "SERVE THE SAME QUALITY OF FOOD TO OTHERS THAT WE EAT". With our above vision, we started a small retail shop at Rajkot, Gujarat about sixty years back.

Moving ahead with this vision and total commitment, we converted this small step in to a giant leap and established a sprawling manufacturing plant ad measuring seventy thousand square feet fully RCC comprising two units of corporate level.

We have a presence in entire Saurashtra, Gujarat with a network of close to two thousand stores and also in all major cities of India. We aim to reach out at each and every home in India and overseas through our quality and aroma of spices.

LEADERSHIP :

We occupy a place of privilege as one of the India's most reputed spices manufacturers and exporters to markets of USA, UK, EU, Australia, Far East and Africa. Our credentials includes ISO 9001:2008, 22000:2005, Spice House Certified by the Spices Board, Govt. Recognized Star Export House and US FDA Inspected and EIR issued. We have a team of young and extremely enthusiastic qualified professionals guided by highly experienced promoters running the company. This combination of experience and professionalism makes us stand a part. We also have a technically sound qualified team for QC and technology upgradation.

Established for more than 60 years, Adani Spices is home to a number of highly-respected food brands

WORLD CLASS TECHNOLOGY :

To meet with the expectations of our valued and esteemed buyers, and towards constant upgradation we have setup most sophisticated, ultra modern and fully automatic manufacturing plant.

Our manufacturing process includes Ozone sterilization - a process of broad spectrum and powerful oxidizing agent which destroys all types of pathogens and reduces the microbial load of our products in the very short duration. It is more effective and also has no toxic residues unlike conventional sterilizers like UV, ETO, etc.

R & D LABORATORY :

We have in house hi-tech, chemical, microbiological and R & D Laboratory with well qualified personnel. Our productions are quality assured which is achieved through stringent process control. Our inspections and tests ensures that the product is free from hazards like foreign matter, heavy metals, pesticide residues, aflatoxin and low microbial count. Each and every packets are tested and checked before dispatch under stringent inspections and supervisions. Our team constantly thrives to retain flavor, aroma and nutritional values of spices.

BACKWARD INTEGRATION :

We are situated in the actual growing area of major spices, like Cumin Coriander, Fennel, varieties of Chillies etc, and are actively involved in the guidance of growing of these spices with the best farming techniques with the farmers. Our Purchase team takes utmost care in the selection and procurement of specific locations to obtain required quality of raw materials.

Our team also tours various growing areas to establish a direct contact with the farmers. They interacts with them, and inspires them on good farming techniques, effective use of organic pesticides, best usage of fertilizers to improve the quality of the produce.

FOOD SAFETY AND NUTRITION :

We are constantly thriving to achieve the goal of "sustainability and food safety" and therefore we are following international food safety standards right from raw material stage to delivery of products in "Packed to Perfect" condition to the consumers under strict hygienic conditions. We have advanced packaging machinery, which makes the product "SAFE TO EAT" and have longer shelf life.

We make quality and value for our customers

why Adani...?

For over 60 years, Adani has provided its customers with products of unparalleled purity and quality. Sourced directly from its place of origin, each product is processed and packed at our factories to meet international food safety standards.
