Balaji Wafers Private Limited

About Balaji Wafers...

Balaji Wafers Private Limited is an Indian company based in Rajkot, Gujarat (India). A legacy of 35 years of business in taste and snacking, Balaji Wafers Private Limited is a leader in Wafers, Namkeens, and Snacks.

The Company's Vision, shared by the family is to grow into a global giant using modern methods and techniques. The key drivers in this journey of growth will continue to be the age-old values of Trust and Quality.

Balaji Wafers is endeavoring to upgrade its technological strengths with the latest machinery and automation processes. The aim is to manufacture the best possible product, with a focus on eco-friendly practices and smoother work systems for the employees.

Balaji Wafers is committed to providing Quality products and takes extra care to ensure that its high standards are met at every step of production. The best graded raw materials are used for making products and production is continuous and automatic to ensure Zero human contact and preserve its quality.

International parameters are strictly adhered to, at Balaji for nutritional and hygienic values. Consumers across 15 countries enjoy Balaji products today, making it a globally accepted Indian salted snack company. Balaji products are currently being exported to Europe, UAE, United States, Australia and other major countries.
