## A Brief Profile

it is said, “Behind every successful man there is a women”. Nothing could be more appropriate and so befitting a once humble an petty business in a remote and rural Gujarat.

The Chotais from ‘TALOD’ (a small hamlet in North Gujarat) had a big dream to successfully convert their small and shop (making “GOTA” and “BHAJIAS” for more than twenty five years), into a sprawling factory with modern production Facilities backed by professional management support.

Ofcourse, the journey towards success was a rough and bumpy one. But the Chotai’s never looked back. With sheer determination and discipline they steered TALOD GRUH UDYOG’ to dizzy heights and successfully cut a niche market for “TALOD” Instant Mix Food Products.

As it is, indian cuisines are famous the world over for sheer taste and variety of flavours. Among these, Gujarati delicacies are unique - a delight for the connoisseur and new converts alike - bringing out delicious flavours from the very hot to the very sweet. “TALOD” Instant Mix Products fit into this groove perfectly, making their products - A Mouthful of scintillating Delight...

In 2002, TALOD GRUH UDYOG added yet another feather in their cap. “TALOD” bagged its first export order to America. Today they feel proud that “TALOD” Instant Mix Products are available in UK, USA, Australia, New Zealand, Dubai, Africa, South Africa and Canada.

Mrs Chotai, a director in a TALOD GRUH UDYOG proudly states, “When we look back ” over the years, we find we have come a long way”. But this is not our ultimate destination. The journey must continue and we have yet to go a long, long way. The company strongly believes in TOTAL CUSTOMER SATISFACTION.
